C14-013

### Public Report and Administrative Order of Dismissal

Complainant, Dennis Lipp, filed a complaint on November 14, 2014, alleging a possible ethics violation involving Respondent, Ryan Laing.

Commission staff investigated this matter and prepared a Memorandum of Inquiry. Under Rule of Procedure 4.2(d), the Executive Director determined that the complaint was legally insufficient and forwarded all supporting documents to the Commission on January 16, 2015. The Commission has not directed the Executive Director to submit the complaint for review in executive session at the next regularly scheduled meeting. Therefore, the Executive Director hereby enters this Public Report and Administrative Order of Dismissal and the complaint is dismissed due to **NO LEGAL SUFFICIENCY**.

Therefore it is:

**ORDERED AND ADJUDGED THAT** this complaint filed against Respondent, Ryan Laing, is **DISMISSED**.

**DONE AND ORDERED** by the Palm Beach County Commission on Ethics on January 30, 2015.
