Electronic Press Release

The Commission on Ethics (COE) has released two public service announcements explaining the role of the COE, the inspector general, and the expansion of the county ethics initiative to all 38 municipalities within the county. The process will take several months to complete, and progress will be continually updated on the Ethics Commission website.

- PSA #1 –“Voters Approve Ethics Laws” informs the public of the process by which the referendum will be implemented.
- PSA #2 – “New Ethics Commission” informs the public of the creation of the Commission on Ethics to combat financial misuse of office by public servants.

Both PSAs refer the public to the COE website, www.palmbeachcountyethics.com for more information about ethics in Palm Beach County. Citizens are encouraged to become involved.

The Commission on Ethics hotline is (877) 766-5920.
